# GEORGIA REPLACEMENT NOTICE

## Replacing your life insurance?

Are you thinking about buying a new policy and discontinuing or changing an existing policy? If you are, your decision could be a good one — or a mistake. You will not know for sure unless you make a careful comparison of your existing policy and the proposed policy.

Make sure you understand the facts. Georgia law gives you the right to obtain a policy summary statement from your existing insurer at any time. Ask the company or agent that sold you your existing policy to give you information about it.

Do not let one agent or insurer prevent you from obtaining information from another agent or insurer which may be to your advantage.

Hear both sides before you decide. This way you can be sure you are making a decision that is in your best interest.

If you wish a policy summary statement from your existing insurer, or insurers, check this box.

We are required to notify your existing company that you may be replacing their policy.

## Georgia Participating Provider Disclosure

Managed care plans in the state of Georgia are required to disclose certain specific information as shown below.

- **Benefits and services as well as obligations including premiums, deductibles, copayments, maximum limits on out of pocket expenses** of the Individual Major Medical Preferred Provider Policy are available in the Georgia Benefit Summary grid which can be obtained from your sales representative or you can view the Benefit Summary on-line at [www.humana.com](http://www.humana.com).
- **Insured Rights and Responsibilities.** You have the right to:
  - Be provided with information about your plan, its services and benefits.
  - Be informed of your diagnosis, treatment choices, including non-treatment, and prognosis in terms you can reasonably expect to understand, and to participate in decision-making about your health care and treatment.
  - File a formal complaint, as outlined in the policy, and to expect a response to that complaint within a reasonable period of time.
  - Be provided with information about the Consumer Choice Option which allows you to nominate a non-participating provider. You may contact us to obtain a nomination form for completion by both the provider and you. The provider must be located and licensed in the state of Georgia and must also agree to the same payment rates, terms and conditions as participating providers. The provider must meet our credentialing standards.

You have the responsibility to:

- Give your Humana plan and your health care provider complete and accurate information needed to care for you.
  - Read and be aware of all material distributed by the plan explaining policies and procedures regarding services and benefits.
  - Follow the treatment plan agreed on with your health care provider and to weigh the consequences of any refusal to observe those instructions or recommendations.
  - Follow health care facility rules and regulations for patient care and conduct.
- **Prior authorization and review requirements.** We require notification and obtain our approval before and during certain services as noted in the policy. If preauthorization is not received from us, benefits will be reduced by 25% for these services. You are also required to notify us prior to receiving inpatient services, non-emergency care, outpatient services in a hospital or health care treatment facility, or diagnostic services as outlined in the policy.
    - **Prescription Drugs.** Prescription drugs covered in Humana's pharmacy benefit, Rx4, are assigned to one of four different levels with corresponding copayment amounts. Refer to your plan contract for specific copayment amounts.

Some prescription drug benefits require that you receive prior approval from us for coverage of certain medications from the prescribing physician for the drug to be covered. In many cases, prior authorization for medications in the first 3 levels of Rx4 are eliminated. For a complete list of drugs that require prior authorization, log on to [www.humana.com](http://www.humana.com) or call customer service.

**The number, mix and distribution of participating providers.** You are entitled to a list of individual participating providers. Provider changes occur daily. Some of the providers may no longer participate, while other new providers may have joined. Currently there are 1,726 obstetricians, 220 hospitals, 10,266 specialists and 5,614 primary care physicians in the network. Please see the provider directory available on-line at [www.humana.com](http://www.humana.com). You may also call customer service for a provider directory to be mailed to you.

## Georgia Participating Provider Disclosure

- **Limitations on choices of health care providers.** The PPO plan was built to offer you choices – including the option to see any physician and go to any hospital you choose. By using in-network hospitals and doctors you receive a higher level of benefits. You can choose any doctor or hospital but you will receive payment at a reduced benefit level.
- **A summary of any agreements or contracts between the managed care plan and any health care provider or hospital as they pertain to financial incentive programs which is as follows:**

### Provider financial arrangements

Humana has an extensive provider network and several types of contractual provider agreements that are common to managed care plans.

Many physicians are paid on a fee-for-service basis or for each service you receive from them. Some physicians have capitation agreements. This means the physician is prepaid a set dollar amount each month to care for each member regardless of how few or how many services a particular member may receive, or in some cases, whether services are provided by the primary care physician or a specialist. Stop-loss insurance protects some physicians from financial loss in case the actual costs incurred in caring for their patients exceed certain sums.

Some providers may also be eligible to receive additional reimbursement from us that is based on established utilization and quality criteria.

Participating primary care and specialist physicians and other provider in Humana's networks are not the agents, employees or partners of Humana or any of its affiliates or subsidiaries. They are independent contractors. Humana is not a provider of medical services. Humana does not endorse or control the clinical judgment or treatment recommendations made by the physicians or other providers listed in network directories or otherwise selected by you.

- **Explanation of what constitutes an emergency situation and emergency services.** Emergency care means any service provided for a bodily injury or sickness manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in:
  - Placing the health of that individual (or with respect to a pregnant woman the health of the woman or her unborn child) in serious jeopardy;
  - Serious impairment of bodily functions; or
  - Serious dysfunction of any bodily organ or part.

If you receive emergency care and cannot reasonably access care from your PPO provider, benefits for that emergency which are rendered during the course of the emergency will be payable at the PPO levels. However, if you could have reasonably reached a PPO provider, benefits will be payable at the non-preferred provider level.

- **Explanation of the Grievance process**

If you disagree with our decision on payment of a particular claim, you can request a second review. To request the review, you must send us a letter requesting a second claim review within 60 days from the time you received notice of our claims payment decision. We will make a second review and provide notice of our decision within 60 days of receiving the request.

If you wish to receive a summary of the number, nature and outcome results of grievances filed, this information is available upon request at a reasonable cost.
